**offer
2019**

DISCOUNTS (price reductions) are granted in the following cases:

- **2%** off the net price to customers who buy plants in our company for the consecutive season;
- **3%** off the net price on one-time orders above **3 000** plants;
- **5%** off the net price on one-time orders above **5 000** plants;
- **7%** off the net price on one-time orders above **10 000** plants;
- **Prices of protected and patented varieties are not subject to discounts.**

Our seedlings are offered only in bulk buying, in the following sizes and quantities:

- in Styrofoam **M-90** plugtray – size: 31 cm x 53 cm x 4.5 cm – **90 plants** from cultivar in each – plant height 4–8 cm – many cultivars already nicely branched (blueberry branched at its base);
- in Styrofoam **M-84** plugtray – size: 31 cm x 53 cm x 8 cm – **84 plants** from cultivar in each;
- in Styrofoam **M-60** plugtray – size: 31 cm x 52 cm x 7 cm – **60 plants** from cultivar in each;
- in Styrofoam **M-40** plugtray – size: 30 cm x 50 cm x 11,5 cm – **40 plants** from cultivar in each;
- in **p9 pots** – size: 9 cm x 9 cm – **50 plants** from cultivar in each.

The date of the collection must be confirmed to fulfill the order!

The plants ordered can be collected solely at the following address:

Muniakowice 100, 32-090 Słomniki
